## CAPTURING THE HEART OF THE MATTER

We ask these questions in order to gain a holistic understanding at the point of referral. However, if you are not able to answer them all, please do not worry we will still accept a referral as long as we have their contact details and you have their permission to refer to us.

### Personal/Family Outcome (If known)

- What would they like life to be like?

### Strengths

- What's going well? \* Who is helping?

### Priority Risks

- What are the challenges or issues that are getting in the way of them reaching their outcome/goal?
- Lone Working / Safeguarding

### Safety/Contingency plan

- Do they have a back up plan? \*What if the Carer is unable to care?

What needs to happen?

Where are they now?

Is there anything else that you think that we should know?

## PERSONAL INFORMATION

We take each family's privacy seriously and we will use their personal information to enable us to support them and monitor the difference we make. Their personal information may be shared with the local Authority (Council) and the NHS as a 'public task'.

We may suggest other organisations and services that could support the family, but would only pass your information on to these with the carer's permission, unless someone is at risk.

Would the Carer like to receive news and information from Ceredigion County Council's Carers Unit? YES/NO
